Sir:

APPLICATION FOR PATENT TERM ADJUSTMENT UNDER 37 C.F.R. § 1.705(b)

The patentee hereby submits this Application for Patent Term Adjustment in order for the Patent Office to reconsider the patent term adjustment ("PTA") for the above-identified application.

The Determination of Patent Term Adjustment attached to the Notice of Allowability dated November 19, 2004, indicated a PTA of 681 days. Patentee agrees with this determination. However, the subsequent Issue Notification and Letters Patent indicate a PTA of 769 days. Patentee is not aware of any event subsequent to the Notice of Allowability that would cause an increase in PTA and therefore believes the PTA should be changed from 769 days to 681 days.

Patentee therefore asks the Patent Office to reconsider the PTA in view of this explanation.
